

Community Meeting on Agriculture

Place: Veppanchery

Date: 12.01.06

Introduction:

The NCRC Agriculture sector organized a community meeting on Vepanchery through help of Tharangambadi VIC. The community people mobilized to Mr. Mohan Kumar and all of you joint together on Mariamman Temple.

Participants:

The basic introduction with people started the meeting. There are Ten community people participated in that meeting. And include NCRC team on Mr.Chandra Mohan , perumal, and Vic People.We are discussed about agriculture activities.

Review:

Review about the Ngos activities. People said both PEDDA and BEST did good work at their agriculture lands. Farmers are satisfied from their activities.

Farmares Aspirations:

- Farmer's aspirations after two years.
- They should expect Cleaning Channels and sub channel work
- One common pond is still not desalinated Pancyath union did 25% of work.
- Sheep penning work in every farmer cultivation field.
- Summer ploughing work.
- Plantation

These activities are farmers expecting to Ngos support should be coming two years.

Here lacking of farmyard manure and organic manure so people converted to fertilizers. And mangroves yielding is not well because cattle disturbances.

Meeting end with vote of thanks.
