

Minutes of the Taluk level Agri- meetings with NGOs and agri-line Departments in Nagapattinam, Vedaranyam, PR Puram, Thirukadiyur and Sirkali.

Immediate measures to be adopted for land reclamation in the Tsunami affected areas.

Nagapattinam – 19th August, 2005. Held at Collectorate Main conference Hall.

Mr. Chandrasekhar, NCRC welcomed the gathering and elaborated on the purpose of the meeting and called the dignitaries Mrs. Annie George, CEO, NCRC, Mr. Muthuvel, Joint Director of Agriculture, Mr. Mohammed Razeed, Assistant Director, Department of Horticulture to the dais and asked Mr. Muthuvel to preside the meeting.

Mr. Muthuvel, while addressing the gathering said the purpose of organizing taluk-level among NGOs, farmers, panchayat presidents, self-help groups, and agriculture departments is to come to a conclusion on what each Tsunami affected village wants and what is to be done on a priority basis. The Agriculture department on its part had sanctioned Rs 2.3 Crores for land reclamation for 296 self-help groups in the affected villages, he added.

Mr. Mohammed Razeed, during his speech said that totally 457 hectares of horticulture lands have been affected by Tsunami. The department had formed 104 self help groups so far and had opened bank accounts. He said the meeting among farmers, panchayat presidents, self-help groups, NGOs and agriculture departments would definitely highlight the status of the reclamation work in each village.

Mrs. Annie George, CEO, NCRC, pointed out that it is hardly a month for monsoon before that we have to finalize on the priorities for land reclamation. She said NCRC had brought the line departments, NGOs and the beneficiaries face-to-face to meet, discuss and come to a conclusion on land reclamation.

Mr. Chandra Mohan, NCRC pointed out to the gathering on the immediate measures to be adopted both in short-term and long-term basis. He formulated a comprehensive package to the gathering for immediate measures like

- Removal & transportation of sand /mud cast (if above 2 inches)
- Deep ploughing of the fields
- Trenching around the fields (along the bunds)
- Clearing farm ponds / common ponds
- Clearing irrigation / drainage channels

In short –term measures, he proposed activities like

- Green manuring in-situ
- Growing of saline tolerant crop varieties
- Application of organic manure in the form of farm yard manure / compost/vermi-compost.

He then presented a presentation on NGOs working in five taluk in the Nagapattinam district, namely Vedaranyam Taluk, Kilvelur Taluk, Nagapattinam taluk, Taramgambadi taluk and Sirkali taluk.
